Ms. Floyd,

On January 24, 2022, your office submitted a security package for applicant **NANA FORSON** for the position of Contract Specialist, series 1102 and grade 09 reporting to Washington DC. The position requires a Moderate Risk certification. The Personnel Security Branch has determined that the individual, identified above, **will not** be granted initial access. The subject is currently on supervised probation with the Virginia Court until 2023. Additionally, he failed to report that information on his OF306.

If you have any questions, please don't hesitate to ask.

Regards,

U S General Service Administration
